

Almost finished with high school?
Need something more?
More help figuring out college,
work, life?
There's *more* here.

Ivy Street School Transition Program

The Ivy Street School Transition Program includes the following services:

- Support with community college coursework: Dual-enrollment opportunities at Bunker Hill Community College and Mass Bay Community College
- Work readiness training and career exploration
- Job coaching and job placement
- Executive function skills training
- Research-based assessment, structured individual goal-setting, and timely evaluation of progress
- Support in mastering financial management, meal planning and preparation, cleaning and household chores, nutrition, physical education, leisure skills, and community independence.
- Clinical support in coping with anxiety, depression, and other challenges, while learning to develop and maintain relationships, and manage conflicts
- A wealth of opportunities to practice social participation and self-advocacy
- Assistance with transition into adult programming

For more information about Day and Residential transitional programming (for ages 17-22) please contact our Admissions Department at 617-620-7779 or admissions@ivystreetschool.org.
